

## Supplier Scouting Opportunity 2023-026

**Item to be scouted:** Reflective mylar film sheet 90" width

**Item description:** Seeking a manufacturer or distributor of mylar film sheet or similar reflective plastic sheet on a roll, 90" width minimum. The desired application is to stretch the mylar/film over an aluminum frame to create a lightweight reflective mirror panel (80"x80") for immersive video projection. Client currently purchases prebuilt mirror panels at a premium price, so looking to source highly reflective film material to recreate, in-house, a stretched mirror panel or flat-mounted to composites for similar effect.

### Technical Information

-----

### Supplier Information

-----

**Type of supplier being sought:** Distributor

**Reason for scouting submission:** Price

### Summary of technical specifications and performance requirements

-----

**Describe the manufacturing processes (elaborate to provide as much detail as possible):** Standard film manufacturing and finishing to achieve 90% reflectivity.

**Provide dimensions / size / tolerances / performance specifications for the item:** The size of mylar needs to be at least 90" wide to fit 80" x 80" panel frames. Thickness greater than 1mil is acceptable as long as it can be stretched around a frame.

**List required materials needed to make the product, including materials of product components:** Any reflective substrate that can support getting stretched flat around an 80" frame.

**Are there applicable certification requirements?:** No

**Are there applicable regulations?:** No

**Are there any other standards, requirements, etc.?:** No

### Business Information

-----

### Volume and pricing

-----

**Estimated potential business volume:** 170 ft of film/month as of Dec 2022

**Estimated target price / unit cost information (if unavailable explain):** Desired under \$1000 for 100 ft of film

**Delivery requirements**

-----

**When is it needed by?:** Immediate

**Describe packaging requirements:** standard shipping per manufacturer/distributor

**Where will this item be shipped?:**

Denver, CO 80216

**Additional comments**

-----

**Is there other information you would like to include?:** Client is hoping to find someone who has a greater understanding with mylar-like materials and ask for advice through this process.
