

ITEM OPPORTUNITY SYNOPSIS

Scouting Number: 2023-176
Name of the item to be scouted: CALL FOR SUPPLIES - Large Scale Project
State item to be used in: Texas

Describe the Item:

Please describe the item application/the end use of the item.

Oklahoma Manufacturing Alliance has partnered with several regional MEPs and a company that specializes in carbon emission reduction technologies, supplying technology, catalysts, and services for the global energy transition. This company will be hosting a Supplier Summit where they need a wide range of manufacturing suppliers for its new factory and specialized machine. INTERESTED MANUFACTURERS SHOULD RESPOND TO THIS POSTING, you will then receive a link with more information, as well as the link to apply for the Summit. All applicants will be vetted for adequate capabilities, if selected, a formal invitation will be sent. If you are selected, it is free to attend. Again, this is a Call for Suppliers, those that respond to this posting will receive more information and instructions for applying.

Supplier Information:

Type of Supplier Being Sought (select from the list below):

Manufacturer x
Contract Manufacturer
Distributor
Other (Please Specify)

Reason for Scouting Submission (select from the list below)

2nd Supplier x
Price
Re-Shore
Past supplier no longer available
New Product Startup
BABA
Other (Please Specify)

Summary of Technical Specifications and Performance

Requirements:

Describe the manufacturing processes (elaborate to provide as much detail as possible)

-Metalwork & parts: Sheet Metal Fabrication, Laser Cutting, Welding of Parts, Bending, Stamping, Deep drawing, Pressing, Light Forging, Precision Fabrication, and Assembly. - Machining, Turning & Milling: Turned parts, Milled parts, Fittings, Flanges. -Casting: Lost wax Investment/green sand casting - Stainless Steel (max. 20kg/each piece x 5,000 pieces per year). -Insulation: Insulation for Piping/Equipment. -Module/Pressure Part/Prefabricators Workshops: Piping Skid Manufacturers, with Piping bulk materials supplies, and assembly and testing. -Module/Pressure Part/Prefabricators Workshops: Piping Skid Manufacturers, with Piping bulk materials supplies, and assembly and testing. - Other: Sheet metalwork, Pipe Bending, Tubes, Stainless Steel & Carbon Steel Flexible Piping (1_1/2" to 3") Instrumentation, E&I Bulk Materials: Instrumentation Package Suppliers, Cables & JB's, Electrical Heat Tracing, Lightning -Electronics: Power supply units, Inverters, Converters, Controls Cabinets, PLC, Customized Power Containers, Heavy Duty Industrial Transformers -Miscellaneous: Heat Exchangers, Electrical Process Heaters **The needed capabilities are vague because specifics will be shared at the Summit once NDA's are executed.

Provide dimensions / size / tolerances / performance specifications of the item

More information will be provided at the Summit.

List required materials needed to make the product, including materials of product components, if applicable

More information will be provided at the Summit.

Are there applicable certification requirements?

Yes
No x
Please explain:

Are there any applicable regulations that apply to the production of this item?

Yes

No x
Please explain:

Are there any other standards / requirements?

Yes

No x

Please explain:

Additional Comments:

Additional technical comments:

Volume and Pricing:

Estimated Potential Business Volume (i.e. #units per day, month, year): More information will be provided at the Summit.

Estimated Target Price / Unit Cost Information: More information will be provided at the Summit.

Delivery Requirements:

When is it needed by? (Immediate, 30 days, 6 months, etc) Responses to this call for suppliers are due by January 12, 2024. More information on project delivery dates will be provided at the Summit.

Describe packaging requirements (i.e. individually / group packaging, etc) More information will be provided at the Summit.

Where will this item be shipped? More information will be provided at the Summit.

Additional Comments:

Is there other information you would like to include?
