<b>Summary of Technical Specifications and Performance Requirements:</b>	
<b>Describe the manufacturing processes (elaborate to provide as much detail as possible)</b>	Assembly
<b>Provide dimensions / size / tolerances / performance specifications of the item</b>	See specifications in Additional Technical Comments section below.
<b>List required materials needed to make the product, including materials of product components, if applicable</b>	N/A
<b>Are there applicable certification requirements?</b>	
Yes	x
No	
<b>Please explain:</b>	National Electric Code (NEC), National Sanitation Foundation (NSF), American National Standards Institute (ANSI), Approved WA DOH Membrane Filter. Must be assembled in the United States.
<b>Are there any applicable regulations that apply to the production of this item?</b>	
Yes	
No	x
<b>Please explain:</b>	
<b>Are there any other standards / requirements?</b>	
Yes	
No	x
<b>Please explain:</b>	
<b>Additional Comments:</b>	
<b>Additional technical comments:</b>	Ultrafiltration Modules used in the system must be a currently approved State of Washington DOH membrane filter or capable of being certified by the WA DOH before being shipped to the project site. Water Treatment Capacity is 100 gallons per minute for each system.
<b>Volume and Pricing:</b>	
<b>Estimated Potential Business Volume (i.e. #units per day, month, year):</b>	2
<b>Estimated Target Price/Unit Cost Information:</b>	Unknown
<b>Delivery Requirements:</b>	
<b>When is it needed by? (Immediate, 30 days, 6 months, etc.)</b>	August 2024
<b>Describe packaging requirements (i.e. individually/group packaging, etc.)</b>	Pallet

<b>Where will this item be shipped?</b>	Washington (WA)
<b>Additional Comments:</b>	
<b>Is there other information you would like to include?</b>	Nationwide MEP Supplier Scouting Search requested. Upon confirmation of the manufacturer's capability to meet the project specifications and ability to meet the BABA requirements the manufacturer will be requested to provide a delivery timeline for the system provide a written corporate signed BABA self-certification letter (on company letterhead) signed by an executive-level individual with the authority to approve project funding for the system. Information on BABA compliance requirements can be found at Made in America Office link <a href="https://www.madeinamerica.gov/">https://www.madeinamerica.gov/</a> .
