### Summary of Technical Specifications and Performance Requirements:

<b>Describe the manufacturing processes (elaborate to provide as much detail as possible)</b>	APET coated plastic. The company currently purchases the lids as a finished product. However they are exploring the possibility of cutting out their own lids on the same cutter they use for folding cartons.
---	--

<b>Provide dimensions / size / tolerances / performance specifications of the item</b>	It needs to meet government standards for food-safe packaging. Easy to fold. Needs to look good (minimal scratches and cloudiness). Clarity is important. <a href="https://www.brpboxshop.com/3068x4216.html">https://www.brpboxshop.com/3068x4216.html</a>
