

MEPNN Supplier Scouting Opportunity Synopsis

Section 1: General Information

Scouting Number	2024-329
Item to be Scouted	Call for BABA Suppliers - 18 Electrical Components
Days to be scouted	21
Response Due By	11/06/2024
Description	<p>"Veteran's State Nursing Home in Boise, ID. Department of Veterans Affairs - State Home Grant Program (SHCGP): The VA State Veterans Home Construction Grant Program (SHCGP) is a partnership between the U.S. Department of Veterans Affairs (VA) and the States to construct, renovate, or repair State-owned and operated nursing homes, domiciliaries, and/or adult day health care facilities. The program is authorized in Title 38 United States Code (USC) Section 8131-8137 and regulated in Title 38 Code of Federal Regulation (CFR) Part 59. VA may participate in up to 65 percent of the cost of construction or acquisition of State nursing homes or domiciliaries or for renovations/repairs to existing State Homes. There are more than 160 State Veterans Homes in 50 states and Puerto Rico with over 30,000 beds. (Homes are owned and operated by one of the 50 States, the District of Columbia, the U.S. Virgin Islands, the Commonwealth of Puerto Rico, Guam, the Commonwealth of the Northern Mariana Islands and American Samoa.) Project Information: Idaho's Division of Veteran Affairs submitted a grant application for federal financial assistance through VA's State Home Construction Grant Program (SHCGP).</p> <p>This project is listed on the FY2024 Priority List and is eligible for grant funding award once the state can attest to all Federal requirements, including meeting BABA requirements. The state has submitted documentation that 233 of 405 products ARE NOT BABA compliant. VA is conducting due diligence by leveraging NIST's MEP Supplier Scouting to achieve compliance.</p> <p>Project Grant Information: -Grant #/Location/Title: FAI 16-009: Boise, ID – Bed Replacement: 122 Bed Facility -Project Scope: construct a new, 5-story 186,278 gsf, nursing home bed replacement at 5601 North Five Mile Road, Boise, ID for 122 residents. "</p>

Describe packaging requirements	"Pallet / Will be shared later Product must arrive undamaged"
Where will this item be shipped?	Idaho

Additional Comments

Is there other information you would like to include?

"Nationwide MEP Supplier Scouting Search requested. Upon confirmation of the manufacturer's capability to meet the BABA requirements the manufacturer will be requested to provide a written corporate signed BABA self-certification letter (on company letterhead) signed by an executive-level individual with the authority to approve project funding for the system. NOTE: Build America Buy America (BABA) requirements are not the same as Buy American requirements. Information on BABA compliance requirements can be found at Made in America Office link <https://www.madeinamerica.gov/>. NOTE: In determining whether the cost of components for a BABA compliant manufactured products is greater than 55 percent of the total cost of all components, use the following instructions: (1) For components purchased by the manufacturer, the acquisition cost, including transportation costs to the place of incorporation into the manufactured product (whether or not such costs are paid to a domestic firm), and any applicable duty (whether or not a duty-free entry certificate is issued); or (2) For components manufactured by the manufacturer, all costs associated with the manufacture of the component, including transportation costs as described in paragraph (a), plus allocable overhead costs, but excluding profit. Cost of components does not include any costs associated with the manufacture of the manufactured product.
