

# MEPNN Supplier Scouting Opportunity Synopsis

## Section 1: General Information

|                              |                                  |
|------------------------------|----------------------------------|
| Scouting Number              | 2024-381                         |
| Item to be Scouted           | Pultruded Plastic Pipe Supports  |
| Days to be scouted           | 30                               |
| Response Due By              | 01/04/2025                       |
| Description                  | Pultruded plastic pipe supports. |
| Notify Requester Immediately | Yes                              |
| State item to be used in     | Louisiana                        |

## Section 2: Technical Information

|   |   |
|---|---|
| Type of supplier being sought   | Manufacturer  |
| Reason  | 2nd Supplier  |
| Describe the manufacturing processes (elaborate to provide as much detail as possible)        | Pultrusion for manufacture of fibre-reinforced plastic pipe supports with constant cross-section. Including but not limited to:<br>Fiber Preparation<br>Resin Impregnation<br>Forming and Curing<br>Cooling and Cutting |
| Provide dimensions / size / tolerances / performance specifications for the item              | Additional information and specifications are available via the following link ( <a href="https://liftoffpipe.com/designs/lor/">https://liftoffpipe.com/designs/lor/</a> )  |
| List required materials needed to make the product, including materials of product components | Pultruded plastic.  |
| Are there applicable certification requirements?  | No  |
| Are there applicable regulations?   | No  |
| Are there any other standards, requirements, etc.?  | No  |
| NAICS 1   | 326122 Plastics pipe and pipe fitting manufacturing   |
| NAICS 2   |   |
| Additional Technical Comments   |   |

## Section 4: Business Information

|   |  |
|---|--|
| Estimated potential business volume                                     | Variable. Range of 1,000ft min to 10,000ft max |
| Estimated target price / unit cost information (if unavailable explain) | \$5 to \$10/ft. As cost effective as possible. |
| When is it needed by?   | As soon as possible                            |
| Describe packaging requirements   | Palletized                                     |
| Where will this item be shipped?  | Louisiana                                      |
