

# MEPNN Supplier Scouting Opportunity Synopsis

## Section 1: General Information

Scouting Number	2025-347
Item to be Scouted	BABA Compliant Flooring
Days to be scouted	30
Response Due By	10/10/2025
Description	BABA Compliant: Linoleum Sheet Flooring : Homogeneous wear layer bonded to backing, with color and pattern

## Section 2: Technical Information

Type of supplier being sought	type specified.
Details	8. Backing: Jute fabric
Reason	2. BABA compliant self-certified manufacturers 3. Thickness: 0.100 inch, minimum, excluding backing. 4. Seams: Heat welded.
Describe the manufacturing processes (elaborate to provide as much detail as possible)	5. Pattern: Solid color. 6. Color: As indicated on drawings. 7. Color: To be selected by Architect from manufacturer's full range.
Provide dimensions / size / tolerances / performance specifications for the item	See attached specs and mechanical schedule for more information.
List required materials needed to make the product, including materials of product components	See attached specs and mechanical schedule for more information.
Are there applicable certification requirements?	Yes
Details	Build America, Buy America Act (BABAA) compliant
Are there applicable regulations?	Yes
Details	Must be able to submit BABAA manufactured product self-certification manufactured product letter that details a compliant product.
Are there any other standards, requirements, etc.?	No
Additional Technical Comments	See attached specs and mechanical schedule for more information.

## Section 4: Business Information

Estimated potential business volume	TBD post selection. Cost should be the best available, and cannot increase the project cost by 25%.
Estimated target price / unit cost information (if unavailable explain)	TBD post selection. Cost should be the best available, and cannot increase the project cost by 25%.
When is it needed by?	Q1 2026
Describe packaging requirements	Must arrive undamaged

Where will this item be shipped?	Colorado
----------------------------------	----------

## Additional Comments

Is there other information you would like to include?

Nationwide Search

Provide written documentation in response to the Supplier Scouting request of being a current Build America Buy America Act compliant Flooring manufacturer with experience in manufacturing the system components, meeting the product performance requirements.

Information on BABAA compliance requirements can be found at the Made in America Office link <https://www.madeinamerica.gov/>.
