

Offer of Assistance

Coordinated through MATTR/NIST MEP

OOA2020-009

<<Identification number>>

NIST Laboratory	Material Measurement Laboratory
-----------------	---------------------------------

Discipline	Materials Science
------------	-------------------

The researcher's current projects include:

plastics recycling, additive manufacturing

The researcher uses the following instrumentation:

rheometer, raman spectroscopy

The Researcher is proficient in software including:

Instrument specific software

If this Offer of Assistance matches your needs, please [submit a MATTR request](#).
